The readers of this paper will be pleased to learn that there are at least one hundred cures that have been able to cure in all its stages, and that is Catarrh. Hairy Catarrh Cure is the only positive cure now known to the medical profession. Catarrh being a constitutional disease requires a constitutional treatment. Hairy Catarrh Cure is taken internally, acting directly upon the blood and nervous surfaces of the body, thereby removing the foundation of the disease and giving the better strength by building up the constitution and maintaining nature in doing its work. The practitioner has no much faith in its efficacy, played the other off One Hundred Dollars for any case that it fails to cure. Send me list of practitioners, I will take their names and address.
